## **Public Works News Release**

### **Bus Pullouts Project on Hold**

The City of Bishop project to improve about 13 Eastern Sierra Transit Authority (or ESTA) bus stops in Bishop has been put on hold for up to a few months. Work has slowed or stopped on the project while ESTA considers changes to its bus routes in the Bishop area. The bus stop project can't move forward without knowing the location of the stops. Changes to the ESTA bus routes and stops, if any, should be known in August.

In April a public meeting was held to discuss the bus stop project and to get input on the project. In May, project information was sent to affected owners, businesses, and residents. Numerous comments were received back. Many of those comments related to parking. Parking appears to be the main issue for the bus stop project and will be an area of focus when work starts again after August.

For more information contact City of Bishop Public Works at [publicworks@ca-bishop.us](mailto:publicworks@ca-bishop.us) or 760-873-8458. Press releases posted at <http://www.ca-bishop.us/Advertisements/Releases/Releases.htm>
