## **Public Works News Release**

### **Hanby After-Construction Meeting**

The City of Bishop will hold a meeting to discuss the recently completed projects on Hanby Avenue. The meeting will be at 6:30 pm on Tuesday, 10 August, in the City Council Chambers at 301 West Line Street. The purpose of the meeting is to receive comments and answer questions about the projects.

In the last few months, three related city projects have been constructed on Hanby, a water line project, an emergency sewer project, and a pavement reconstruction project. The projects impacted residents, drivers, pedestrians, and bicyclists. As a result the city received a number of comments, questions, and complaints during construction. These continue now that construction is complete. The meeting is to provide a forum to hear the comments and provide information about the projects.

For more information contact City of Bishop Public Works. Press releases posted at <http://www.ca-bishop.us/Advertisements/Releases/Releases.html>.
