Public Works Report

February 2010

Water

1. Began process of installing water meters at accounts classifications where we needed information on that type of water use. Meters were installed at:
 - 156 East Pine Street (Studio 27 beauty shop)
 - 168 Short Street (trailer park)
 - Rusty's Saloon
 - 287 Grove Street (Church of Christ)
 - 484 Short Street (VFW Hall)
 - 730 Home Street (Seventh Day Adventist, church-school)
2. Finalized plans and went out to bid on the Hanby Avenue and May Street Utility Project.
3. Signed contract for the Schley Street Water Line Improvements Project. Conspec is scheduled to start construction in the first week of March.
4. Continued negotiations with ECO:LOGIC for the SCADA project..
5. Met with Western Nevada Supply meter personnel and explored the idea of going to an automatic read meter system. At this point the start up costs are far too expensive.
6. Installed a valve box at 131 Moffett Drive.
7. Performed grounds maintenance at Wells 2 and 4.
8. Took monthly readings of all water meters.
9. Took routine bacteria samples.
10. Finalized proposed language to update the Bishop Municipal Code to allow water shut-off for delinquent residential customers.

Sewer

1. Received seven proposals for the Waste Water Treatment Plant Headworks project and began evaluating them
2. Inspected the construction of a sewer lateral replacement at 193 May Street.

3. Cleaned plugged sewer under the 600 block of Hobson Street.
4. Completed plans and put out to bid the Keough and Hobson Sewer Improvements project.
5. Performed grounds maintenance at the Waste Water Treatment Plant.
6. Made routine inspections of grease interceptors.
7. Generated a No Spill Certification for the state and reported the same.
8. Performed routine main line cleaning in trouble areas.
9. Placed soil spoils from the Grove Street Project in low areas of the 40 acre pasture.
10. Purchased new transporter for the sewer camera.

Streets

1. Cleaned storm drain inlets in anticipation of coming storms.
2. Patched potholes where needed.
3. Continued work with consultants on plans and environmental documents for future street projects.
4. Teleconferenced with R. O. Anderson about strategy for environmental studies on Pine to Park Path project.
5. Met with Caltrans planner concerning planned update to the Circulation Element of the Bishop General Plan.
6. Worked on 2 encroachment permits involving Verizon and hospital underground work on Pioneer Lane.
7. Worked with Triad to meet Caltrans environmental requirements on the Wye Road Intersection Improvements project.
8. Identified 2 potential street projects for additional economic stimulus funding including the West Elm Street Improvements and West South Street Improvements projects.

Miscellaneous

1. Assisted Parks Department with asphalt patching in the Sunrise Mobile Home Park.
2. Provided weekly Safety Meetings for Public Works crew.
3. Made minor repairs and performed maintenance to light trucks, heavy equipment, and snow removal equipment.
4. Hauled trash from Fowler Street pit to the Sunland Landfill.

5. Participated in meeting about Bishop Paiute Tribe's Bishop Creek Watershed project.
6. Worked with Enplan toward completion of Environmental Constraints project.
7. Investigated the use of "E-Verify" by cities in California to verify the legal working status of employees on Public Works projects.
