

PUBLIC WORKS REPORT

May 2006

WATER

1. Layne Christensen began the rehabilitation process on Well #1. The work included acid injection, scrubbing, bailing out sediment and post video logging.
2. Installed a valve box at Home Lumber.
3. Replaced and adjusted packing glands at Well #2.
4. Aerial photographs were taken as continuing work with the GIS grant.
5. Continued annual testing of backflow valves.
6. Took monthly readings of water meters.
7. Took routine weekly and monthly water samples.
8. Went out to bid for materials to do a tie-in at Well #2.
9. Designed plans to loop 8" water line from Well #2 to the termination of the El Sereno Arms 8" water line.

SEWER

1. Constructed a new 4" sewer lateral at 829 Lee Street.
2. Cleaned plugged sewers at the following locations:
 - a. The intersection of Hobson and Keough Streets
 - b. The intersection of North Fowler and Church Streets
 - c. The 600 block of West Elm Street
 - d. 574 North Third Street
 - e. The intersection of First and Clarke Streets
3. Hydrocleaned sewer mains on Main Street.
4. Made improvements to clarifiers to eliminate raccoons from causing damage.
5. Replaced grit pump in the vault at the Wastewater Treatment Plant.

6. Cleaned culverts at the sewer ponds to enhance irrigation on the 40-acre pasture.
7. Performed maintenance and irrigated the 40-acre pasture.
8. Made routine inspections of grease interceptors.

STREETS

1. Swept all City streets and alleys.
2. Provided weed control on City streets.
3. Assessed all street signs in the City and repaired or replaced any that needed it.
4. Cleaned weeds and debris from all City parking lots.
5. Performed overall City clean-up in preparation for Mule Days.
6. Patched potholes on all City streets.
7. Installed thermoplastic “STOPS” and bars at various intersections.
8. Trimmed trees at intersections to increase “Line of Sight” distance.

MISCELLANEOUS

1. Provided traffic control for the Mule Days Parade.
2. Assisted the Tri-County Fairgrounds by sweeping the parking lots and barn areas.
3. Attended a meeting sponsored by Southern California Edison to prepare for summer run-off.
4. Performed maintenance and made minor repairs to light trucks and heavy equipment.
5. Set up a lane closure for the Bishop High School on West Pine Street. This was done to allow the California Highway Patrol to present the “Every 15 Minutes” program.
6. Cleaned weeds and debris from shop planters.
7. Provided weekly tailgate safety meetings for Public Works Crew.
