

Jim Ellis

Council Member

Mayor Pro Tem 2013

Term

March 2011 – November 2014

Personal Information

I was born and raised in the Owens Valley and graduated from BUHS in 1986. In 2001, after several years in Southern California, I moved back to raise my family in the area I always called “home”. My wife Cami and I have 6 children between us (my 3 daughters, and her 3 sons) and we feel blessed to be raising them here in Bishop.

My grandfather was on the Bishop City Council in the late 70’s, and I am proud that I can follow in his footsteps and give back to this wonderful community.
