Public Works Report

October 2014

Water

1. Installed a 2 inch water service on West Yaney into the Cottonwood Plaza.
2. Serviced electric well pump motors and all wells.
3. Marzano and Sons Construction began work on the Warren, South and Academy Streets Utility Improvements Project.
4. Continued the process of cleaning out curb stop valve boxes at every property in town. During this process we are locating properties without valve boxes and installing them.
5. Continue working with Terra Verde to implement solar power at Wells 2 and 4.
6. Completed annual exercising of main line and hydrant valves on Main Street and West Line Street.
7. Performed grounds maintenance at Wells 2 and 4 as well as the tank site.
8. Took monthly readings of all water meters.
9. Took routine bacteria samples.
10. Potholed and located water lines under the streets that will be within the Warren, South and Academy Streets Utility Improvements Project. This work was completed to better define location of new lines.
11. Attended meeting of Inyo Mono Regional Water Management Group.

Sewer

1. Installed 250 feet of 2 inch conduit at the sewer ponds to provide power for the upcoming Pilot Project.
2. Sampled ponds and monitor wells for ammonia and nitrates.
3. Provided sewer system maintenance for the community of Aspendell. Inyo County pays the City for this service.
4. Videoed and evaluated sewer main lines that have not been reviewed in some time.

5. Performed routine maintenance to the Johnston Drive Lift Station.
6. Performed grounds maintenance at the Waste Water Treatment Plant.
7. Continued with the Collaboration effort with Eastern Sierra Community Services District.
8. Cleaned sludge drying beds.
9. Made routine inspections of grease interceptors.
10. Performed routine main line cleaning in trouble areas.

Streets

1. Opened bids for the Warren Street Improvement Project. American Asphalt was the low bidder for all options.
2. Began the process of replacing all street name signs within the city.
3. Began annual Fall Street Sweeping Program.
4. Cleaned all drop inlets within the City's storm drain system in anticipation of winter.
5. Performed preliminary survey work in the city parking lot behind La Casita for possible improvement project.
6. Patched potholes in City streets that posed potential safety issues.
7. Repaired and or replaced damaged street signs.
8. Participated in Warren Street Focus Group meeting.
9. Met with county staff regarding county project to improve Sunland Drive including portion within city.
10. Participated in webinar regarding statewide needs for local street rehabilitation.
11. Continued work with county on Eastern Sierra Adventure Trails.
12. Addressed recent court decision regarding on street accessible parking requirements.

Miscellaneous

1. Provided traffic control for the Bishop High School Homecoming Parade.
2. Performed maintenance and serviced Public Works vehicles.
3. Provided weekly tail gate safety for the Public Works crew.

4. Hauled trash and debris from Fowler Pit to the Sunland Landfill.
