Chris Carter, Chief of Police

On behalf of the Bishop Police Department and in cooperation with Cooper Training Systems and the Inyo County Republican Women Federated, I am delighted to announce that the Refuse To Be A Victim® crime prevention program is coming to Bishop!

Refuse To Be A Victim® is a four hour crime prevention seminar, which provides practical information geared toward awareness and avoidance of criminal attack. It is a program of the National Rifle Association. Certified instructors help seminar participants better understand criminal thinking and provide tips on maximizing home, automobile, telephone, technological, and personal security. Participants learn unbiased information about carjacking prevention strategies; self-defense training options; and the use of devices such as pepper spray, mace and tasers.

Cooper Training Systems will present this course on April 25, 2015. Seats are limited so please reserve your space by registering online today. Click [HERE](#) or visit...<http://www.nrainstructors.org/home.aspx>
