Public Works News Release

Old Bishop Street Signs for Sale

About 200 old City of Bishop street signs are available to purchase for \$5 each at City Hall.

Last year the City of Bishop replaced almost all of the street signs in the city. Although the old signs had a number of issues that caused them to be replaced, most are still in good shape for other uses such as for keepsakes.

Signs are available from most streets in Bishop and most streets include more than one sign. Some signs are decals on aluminum sheeting and some are baked enamel on steel.

Contact the City of Bishop Department of Public Works to find out what signs are available. To get a sign, come in and pick up the signs at City Hall. Payment can be by cash, check, or credit card. Credit Card payments are subject to an added fee.

For more information contact City of Bishop Public Works at publicworks@ca-bishop.us or 760-873-8458.
