More Back to School Safety Tips

Bishop public schools start the new school year at 8:15 this Thursday, 20 August. The Bishop Police Department and the Bishop Unified School District offer these tips to make traveling to and from school as safe and healthy as possible:

Tips for Parents:

- Whether children walk, bike, ride the bus, or travel by car, parents should talk with them about safely getting to and from school.
- Small children should be able to recite their name, address and phone number as well as the names of their parents.
- Parents should insure that school records accurately reflect current contact information.
- Help reduce traffic congestion around schools and improve health by encouraging your children to walk, bike, bus, or car pool to school if they can.

Tips for Drivers:

- Traffic will be heavy. Allow extra time to reach your destination. Even if you are late, don't rush.
- Obey speed limits, especially near schools.
- Pay attention and concentrate on driving safely. Don't multitask while driving. Don't text. Don't even talk on the phone around schools.

- Stop for school buses loading and unloading children.
- Obey crossing guards.
- Everyone wears seat belts or sits in car seats.
- Young and new drivers should be especially cautious.

Tips for Children Walking:

- Walk to school with an adult or older child if you aren't ready to walk by yourself.
- Take a safe route to school (see attached map).
- Only cross Main Street and Line Street at traffic signals.
- Only cross Home Street where there is a crossing guard.
- Walk with friends.
- Pay attention to things and people around you.
- Wear bright clothes so drivers will see you better.
- Obey crossing guards. Tell them if you need help.
- Walk don't run, especially in crosswalks and around cars.

Tips for Children on Bikes:

- Always wear a bicycle helmet, no matter how short the ride. The law requires children under age 16 to wear a helmet.
- Ride on the right; in the same direction as traffic.
- Obey traffic lights and stop signs.
- Walk bikes in crosswalks.
- Wear bright clothes so drivers will see you better.

Police Enforcement:

- To help with these tips, the Bishop Police Department will conduct high-visibility traffic enforcement in and around school zones for all traffic violations, particularly speeding, cell phone violations, and failing to follow instructions of the Crossing Guards.

For more information contact the Bishop Police Department at 760-873-5823 and the Bishop Unified School District at 760-872-3680.
