FOR IMMEDIATE RELEASE

Fraudulent Fundraising Website

The Office of the Superintendent of Schools for the Bishop Unified School District was recently notified of a website which is falsely claiming affiliation with their district.

The website BishopBroncos.com is fraudulent. This website is a mock up of the school district website and is attempting to look legitimate by posting school information including a school directory, school schedules and sporting event information. This website is misleading and attempting to fraudulently raise money for the school district. Any funds raised through this website will not be benefiting our local schools in any way. This website is being operated by a known scamming agency and has registered the web address you see above.

The Office of the Superintendent of Schools for the Bishop Unified School District asks that you do not involve yourself with this website. Do not make any purchases for any items listed on the website or make any donations. If you have already made a purchase through this website, please contact the Bishop Police Department.

The Bishop Unified School District maintains a legitimate website, and information about Bishop Schools can be found at www.bishopschools.org.
