Starting in July a single family residence will pay \$52 per month for unlimited water and sewer use. Some people would like to know more about this increase. At 7 pm on Tuesday 20 March the City of Bishop Water and Sewer Commission is holding the first of two public meetings to discuss the rate increases and why they are needed.

The Water and Sewer Commission and Public Works staff will be on hand at the meeting to provide information on the needs and finances of the City's water and sewer systems and to gather input on the systems and the projects the City proposes. The Water and Sewer Commission will hold a second similar meeting on Tuesday 24 April. Finally, the City Council will hold a public hearing at their meeting 11 June.
