## **Public Works News Release**

### **Draft Bike Plan Available for Review**

An early draft of a bike plan covering the Bishop area is available for review. This 98-page draft plan covers the City of Bishop, Inyo County, and the Bishop Reservation and is available on the City of Bishop web page at <http://www.ca-bishop.us/Misc/>.

The City of Bishop Department of Public Works welcomes input on the Bishop portions of this draft. A later draft of the document will be made available for more formal review when it becomes available.

When complete, the plan will guide work on bike improvements and make those improvements eligible for state and federal bike funding. Thoughtful and thorough review of drafts of the plan will ensure it is as useful as a plan as possible.
