Public Works News Release

Bishop Independence Day

Many people enjoy 4th of July celebrations with private fireworks shows along streets in the City of Bishop. As long as the shows are handled safely and responsibly, the private fireworks can be a good warm up to the Bishop Fire Department Volunteers fund raiser fireworks show at the Bishop Airport.

Still, there are potential problems with all this celebration along the city streets. To minimize the problems remember to:

- Watch out for traffic. The streets are still open and drivers may not anticipate people, including children, along the streets.
- Prevent fires. It's hot and dry and even "safe and sane" fireworks can easily start fires. Be prepared and be careful.
- Clean up after yourself. Responsible citizens realize that leaving the environment clean is a patriotic duty. Be a good example to your family, friends, and neighbors and leave the streets clean when your done with the celebration.

For more information contact City of Bishop Public Works at publicworks@ca-bishop.us or 760-873-8458. Press releases posted at <http://www.ca-bishop.us/Advertisements/Releases/Releases.htm>
