Public Works News Release

Home Street Construction Meeting

Road construction will start about 17 July 2006 on the City of Bishop Home Street Improvements project. A meeting to provide information on the construction process will be 7:30 pm Wednesday 12 July 2006 in the City of Bishop Auditorium. The Auditorium is at the northeast corner of Fowler and West Line Streets. Anyone interested in Home Street should attend this meeting.

The Home Street Improvements project will put sidewalks on Home Street from West Line Street to West Yaney Street, will reconstruct the pavement, and make other improvements. The project was intended to address the full length of Home Street, from West Line to Sierra Street, but the northern-most block had to be dropped from the project due to funding constraints.

Topics to be covered at the meeting include:

- Construction schedule
- Tree removal and coupons
- Closures and traffic impacts
- Work at creek

For more information contact City of Bishop Public Works at 760-873-8458 or publicworks@ca-bishop.us.
