

PRESS RELEASE/PUBLIC SERVICE ANNOUNCEMENT

eComments

The City of Bishop is pleased to announce an added feature to the City's website called "eComments." This added feature allows members of the public to actively participate and share their views on a topic with the City Council or Commission that is scheduled for discussion at an upcoming City Council and/or Commission meeting.

To start sending eComments go to the City of Bishop website at: ***www.ca-bishop.us*** Go to the GOVERNMENT tab. Select from City Council, Parks and Recreation Commission, Planning Commission, or Water and Sewer Commission. Find the upcoming meeting of interest and click on "eComments." If it is your first time, you will need to register by filling in your name, address, email and password. Once registered you will be able to make eComments to any upcoming meeting agenda items up to 30 minutes prior to the start of the meeting.

Should you have any questions regarding eComments, please contact Assistant City Clerk Robin Picken at (760) 873-5863 and she will be happy to assist you.
