For immediate release:

The City of Bishop Public Works Department will be burning tules at the Sewer Ponds east of Bishop. This work will start Thursday March 6th and continue through Friday March 14th when weather conditions permit. This work is part of normal maintenance to enhance the treatment of the city's waste water. Great Basin Air Pollution Control District, Local Fire Departments and Bishop Police Department are involved with this burn so please do not call if you see the large plume of smoke.

Thank you in advance,

Deston Dishion, City of Bishop Public Works Superintendent
