Public Works Report

December 2016

Water

1. Removed leaking abandoned $\frac{3}{4}$ " water service at 693 Grove Street.
2. Assisted Denny's Restaurant with an issue of low water volume. City inspected all elements of water system that are our responsibility and found no problems.
3. Water consumption for the month was down 10% compared to November 2013. For the 2016 year water consumption was down 13% compared to 2013.
4. Shut off water at 562 West Elm Street at customer's request.
5. Performed grounds maintenance at Wells 2 and 4 as well as the tank site.
6. Took routine bacteria samples.
7. Continued work to implement the Sustainable Groundwater Management Act (SGMA, "sigma").

Sewer

1. Irrigated the 40 acre Sewer Pond Pasture.
2. Cleaned irrigation ditches at the 40 acre pasture.
3. Conducted percolation tests on the bottoms of Ponds 5 and 6. These tests were performed to evaluate sealing strategies.
4. Continued extensive cleanup of the 40 acre pasture. This work involved clearing years of downed tree limbs and old fences. All downed limbs will be chipped and or burned.
5. Cleared plugged sewer under the 700 block of North Main Street.
6. Performed routine maintenance on the Johnston Drive Lift Station compressor.
7. Continued with the Collaboration effort with Eastern Sierra Community Services District (ESCSA).
8. Cleaned sludge drying beds.

9. Made routine inspections of grease interceptors.
10. Performed routine main line cleaning in trouble areas.
11. Continued investigation of clay at Laws for reducing infiltration from Ponds 4, 5, and 6.
12. Met with Lahontan Regional Water Quality Control Board staff concerning Joint Technical Workplan.
13. Continued work on Trunk Replacement project, focusing on scope of work for contract amendment covering environmental permitting for the project.
14. Worked on development of Monitoring Wells 2017 project.
15. Worked on progress report and update of Joint Technical Workplan.

Streets

1. Installed new street light in the Sycamore Square parking lot.
2. Completed annual Fall Street Sweeping Program.
3. Continued cleaning drop inlets and interceptors within the city storm drain system.
4. Patched potholes and gutters in city streets.
5. Participated in Inyo Local Transportation Commission meeting.
6. Continued work with NCE for municipal drainage planning.
7. Continued work on Spruce Yaney Hanby Sidewalks project including holding open house.
8. Participated in North Sierra Highway Corridor Plan effort.
9. Presented Spruce Yaney Hanby Sidewalks project to Parks and Recreation Commission.
10. Supported Bishop Christmas Parade effort.
11. Worked on support and right of way acquisition for Seibu to School project.

Miscellaneous

1. Clair Concrete started and completed construction on the Park Front Path Project.
2. Provided traffic control for the Christmas Parade.
3. All members of the Public Works Crew attended Environmental Safety training.
4. Provided weekly tail gate safety for the Public Works crew.

5. Hauled trash and debris from Fowler Pit to the Sunland Landfill.
6. Participated in Eastern Sierra Energy Foundation teleconference and met with staff.
7. Continued work with Inyo County of the possibility of cooperating on building permits and inspection.
8. Met with City of Los Angeles Department of Water and Power staff about potential temporary office on Wye Road.
9. Executed Memorandum of understanding with Inyo County concerning combined city and county building permitting and inspection.
10. Continued weekly meetings concerning combined city and county building permitting and inspection.
11. Participated in effort to bring a bike share program to the Bishop area.
12. Participated in Eastern Sierra Energy Foundation teleconference.
13. Released Request for Proposals for new aerial imagery.
14. Worked with county on their proposal to create Americans with Disabilities Act compliant access to their offices at Warren and Grove.
