Public Works News Release

Xpress Bill Pay

The City of Bishop now offers online payments through partnership with Xpress Bill Pay.

Weary from writing checks? Tired of wasting money buying stamps? The City of Bishop has teamed up with Xpress Bill Pay to offer customers the ability to pay their Water and Sewer bills online. Xpress Bill Pay also allows customers to receive bills by email when you opt out of receiving a paper bill by mail.

This new service is in response to customer requests for faster and more convenient online payment options. The new service will give customers the ability to view, track, and pay their bills through the secure Xpress Bill Pay website.

Various payment options are available including credit and debit cards and electronic funds transfer. Customers can also setup automatic monthly payments and view up to two years' history of their accounts.

Be sure to visit the city's website at cityofbishop.com and click the Xpress Bill Pay logo on the home page.
