Press Release

Bishop, CA

Saturday February 29th, 2019

A fire caused significant damage to a single-family home on the 2200 Hundred Block of North Sierra Highway on Saturday afternoon. The Bishop Fire Department was notified of an attic fire at 1:24 PM. Arriving units found a home with significant fire coming from the attic and kitchen.

Personnel from the Bishop Fire Department, CAL FIRE, Big Pine Fire, and the Inyo County Sheriffs Department worked to control the fire. Three people were displaced and the Red Cross has assisted in finding them temporary lodging. The cause of the fire is under investigation.

The Bishop Fire Department would like to remind our community that if you are a renter, it is imperative to have Renters Insurance. Your landlord's insurance will only cover damage to the structure and does not cover your belongings.
